Foreword

As you turn through the pages of your 1952 SCHOOL DAZE, we hope that the classes, organizations, and activities that are portrayed will recall to your mind the happy memories of days spent at Calhoun High School.

In this annual we hope to preserve many laughable and cherished memories that otherwise would be forgotten.

You might find some imperfection but we know that you sympathize with our efforts in endeavoring to bring you an annual that you will always treasure.

THE ANNUAL STAFF

PRINCIPAL'S MESSAGE

To each student, faculty member, and patron of the Calhoun School, I want to express my appreciation for the part you have played in making possible a good school program. Through war and peace times, the co-operative effort of all of us has reflected in a continuous opportunity for youth to grow educationally.

To the Seniors, in particular, and to all students in general, I extend my best wishes for true happiness in all your years to come.

Sincerely,

James E. Walker

Success Is What You Make It

Freedom--the birthright of every American--assures plenty of opportunity for all. With our freedoms of thought, expression of action, any worth-while ambition in any field of endeavor may be realized here in America.

Then what lies between your ambitions and their attainment The answer is: YOU Your success will be as good as you are.

In planning and doing, you should project your best--education, talents, good judgement--into your efforts. Your just rewards will be satisfaction--and your measure of success.

To the Class of 1952:
Our Congratulations
and Best Wishes.
We are Proud of You.
